

ATTENTION WEST PEORIA RESIDENTS! THE WEST PEORIA FIRE DEPARTMENT NEEDS YOUR HELP!

By: Friends of the West Peoria Fire Department

A general primary election will be held on Tuesday, March 19th. On the election ballot, the West Peoria Fire Department (WPFDD) will be asking for your help in the form of a tax referendum. The WPFDD has never raised or asked to increase taxes since its incorporation in 1939. With the rising costs in our current economy, it is an ongoing endeavor to supply and maintain the equipment that is needed. Because of lifestyle commitments to jobs and family, it is also becoming more difficult to seek and train individuals for the department. Therefore, the WPFDD is seeking alternative ways to continue the commitment to the community to maintain a volunteer fire department and ambulance service.

On the ballot will be a question requesting acceptance of an ambulance/rescue tax that will allow the WPFDD to create a duty (paid) crew for the ambulance to be at the station to respond quicker to emergency calls at specific times and days of the week.

- Question: Shall the West Peoria Fire Protection District levy a special tax at a rate not to exceed 0.40% of the value of all taxable property within the District as equalized or assessed by the Department of Revenue for the purpose of providing an ambulance service?

Also on the ballot will be a second question asking for 0.10% increase in Fire District tax to help purchase equipment, supplies and vehicles. We want to retain our WP Volunteer Fire Department and not have to contract out to other departments.

- Question: Shall the maximum allowable tax rate for the West Peoria, Peoria County Illinois, be increased from 0.30% to 0.40% of the value of all taxable property within the District as equalized or assessed by the Department of Revenue?

A "yes" vote on March 19th is needed to continue to provide the fire and ambulance service to the residents of the City of West Peoria! Without this tax increase, the current services will have to be provided by other entities with a much higher price per call. Your vote is needed on March 19th!

HORSESHOE BOTTOMS

By: Dave Pittman

After a very warm early winter, the first major storm of the season in early January arrived with very cold temperatures. Many of us remember the heavy snows and cold of past years, with cross country ski options and sledging on the steep hills of St. Mary's Cemetery. Maybe this will be the year those heavy snows return.

Volunteers at Horseshoe Bottoms seeded a new test plot during the January workday. Planning has begun to build a short trail to view the magnificent chinquapin oak on the slope between the two levels at St. Mary's.

Hike and workdays continue monthly but please call to confirm in case of bad weather cancellation. The free horseshoe bottoms hikes and workdays occur on: February 3, March 2, and April 6...Both workday and hikes begin at 9:00 a.m., meeting at the far west end of St. Mary's Cemetery. Dogs on leashes are welcome. Please wear shoes and pants that can get muddy! Liability waivers are required. Hikes last about 90 minutes and workdays about 2-3 hours. Call or text David Pittman (309-573-2354) to confirm all events.

Rocky Glen Park workdays will be: February 4, March 3, and April 7...Volunteers meet at the Rocky Glen parking lot at 9:00 a.m. for 2-3 hours work.

FORG is an all volunteer non-profit with a goal of promoting the health and recreational value of the Kickapoo Creek watershed. Our educational programs include work with the Peoria Public Schools, private schools, and other non-profit groups. Volunteers always welcome! Call or contact us via our website (www.friendsofrockyglen.org) for more information.

PLANNING CONTINUES FOR THE NEW CITY HALL

Plans are in the making! The vacant lot at the intersection of Rohmann and Sterling, formerly the site of the old Busey Bank, sits idle awaiting construction of the new West Peoria City Hall. The new building will be a state-of-the-art facility with plans to make the building as 'energy efficient' as possible. Plans will include additional meeting space, increased office and storage space for City staff, and an area adjacent to the building designed for future community activities and events.

City officials continue to meet with the architects as they "fine tune" the construction and design plans for our future West Peoria City Hall!

NO SOLICITATION!

The City of West Peoria DOES NOT allow nor permit persons to go door-to-door. If you encounter this, please contact the Peoria County Sheriff's Office at (309) 672-6011.

ARE YOU CLEANING HOUSE? REORGANIZING CABINETS & CLOSETS?

Some residents are taking advantage of these cold winter days and have started doing some "Spring Cleaning"! While there are many organizations to donate clothing and miscellaneous items to, just a reminder that April will bring our annual Clean-Up Day for broken or unused appliances, furniture, etc. AND May brings our annual Community Garage Sale.

Both events bring thoughts of what to do with all those unused and unwanted household items!

SLOW DOWN WEST PEORIA!

The Transportation and Safety Committees continue to monitor and review the traffic data regarding traffic patterns, time of day, and speed limits on the streets of West Peoria. At the January 23rd City Council meeting, Peoria County Sheriff's Deputy Drake Hart gave a detailed report on the recent activities in West Peoria. He stated 154 reports were filed within the last month, including 105 traffic citations. Residents continue to park cars illegally, i.e., some in the wrong direction, some blocking driveways, and some blocking fire hydrants! While conducting traffic stops, it was noted children were not restrained by a seat belt or not in the proper car seat. Residents were also reminded to not keep their cars running and unattended. Be vigilant! Obey speed limits and stop signs! Drive responsibly!

TAKE CARE OF YOUR PETS!

Please keep your animals contained at all times. Not only is it unlawful but we also want to make sure everyone's pets are safe. Animal Control may be called for excessive dog barking, animal abuse or if an animal is running at large.

WPRA

PRESIDENT'S MESSAGE

I would like to extend a special thanks to Bonnie Farrell. Since 2019 she has led the West Peoria Residents Association as President. Under her leadership we have seen many changes and improved offerings to our community. Key contributions under her leadership include a very successful Halloween "Trunk 'n Treat" and Christmas Tree Lighting Ceremony co-sponsored with the City of West Peoria, an annual State of the City Address program, and a successful reorganization of our WPRA bylaws and operations. Bonnie has also been successful in attracting new members and expanding our Board of Trustees.

After five years as the President of WPRA, Bonnie has stepped down from her leadership role to focus on a variety of other commitments. However, she will continue to serve on the Board of Directors. Thank you, Bonnie!

I'm happy to announce that I, Nicholas Baker, have been elected as the new President of WPRA beginning January, 2024. I have been a proud resident of West Peoria for 34 years and an active Board member with WPRA since 2019. I look forward to building upon the great work this organization has provided our community and am excited to work with our new and veteran Board members.

If you are not yet a member of our organization, I urge you to become one. It cost very little, about \$1.50 a month! It's because of membership support we are able to provide the great programs, events, and sponsorships, as well as our semi-monthly newsletters for the residents of West Peoria. Moving into 2024, as our costs of events and publication have continued to rise, we are focusing on the financial aspects of our organization while continuing to improve our offerings to the community.

THE CHRISTMAS SPIRIT IN WEST PEORIA!

November 27th was a very cold night for the annual Christmas Tree Lighting ceremony at City Hall! Despite the frigid temperatures, residents gathered to visit Santa, place ornaments on the community tree, and enjoy refreshments with neighbors and friends. When Santa 'flipped the switch' to light the tree, the spirit of the Christmas season filled the air!

A special 'thank you' to the WPRA Beautification Committee for decorating the "Welcome Wall" at Main and Western with garland and lights, as well as the evergreen roping, lights, and bows at City Hall.

The Residents Christmas Holiday Decorating Contest was held again this year and the following residences were contest winners: 1st place: 2127 W. Moss, 2nd Place: 2206 West Barker, 3rd Place: 648 Coolidge Court. Congratulations and thank you to all the residents who participated!

We hope you enjoyed all the beautifully decorated homes in West Peoria, as well as the street lighting decorations courtesy of the West Peoria Lighting District. All added to a festive Christmas season in West Peoria!
